

Submission to the second cycle in the framework of the Universal Periodic Review: Belarus.

Submitting organization:

International Public Association “Gender Perspectives” (the Organization)

Short description of activities:

IPA “Gender Perspectives” has been established on August, 10, 2010 in Belarus.

The mission of the organization is the promotion of the society development, where women and men can make free social choice. The activity of the organization is aimed at promotion of de-facto gender equality and protection from all forms of gender discrimination via social programmes on prevention of gender-based violence, including trafficking in persons (implementation of La Strada Belarus programme), family violence, discrimination at the working place, and sexual harassment.
