### **Re: Refugee Led Organizations submission during the UPR Process**

Since last year 2015 the Foundation People for Peace and Defense of Human Rights took part in the UPR awareness activities organized by the Lutheran World Federation (LWF) and then later decided to take part in the whole process. We mobilized other refugee led organizations to take part UPR activities organized by LWF including the formulation of a joint submission on particular refugees issues.

We also realized that there number of issues which refugee led organizations would like to present and that is why we developed this document.

We shall be happy to receive more about it and enjoy your engagement with refugees in Uganda directly.

May I implore your consideration

Yours faithfully

Kulihoshi Musikami Pecos
