Founded in March 2007, China Union of Anthropological and Ethnological Sciences (CUAES) is a national non-profit social organization voluntarily incorporated by relevant institutions, academic groups and individuals that are devoted to anthropological and ethnological sciences and the persons that are dedicated to relevant fields like ethnic works. The Union has individual members and group members with broad representation. The tenet of the Union is: abiding by the Constitution, laws, rules and state policies, upholding social ethical standards, unifying researchers in Chinese anthropological and ethnological sciences and relevant fields, boosting the development and international communication of Chinese anthropological and ethnological sciences, and increasing
