**Christian Solidarity Worldwide (CSW)** is an advocacy organisation specialising in freedom of religion or belief (FoRB), and works on over 20 countries across Asia, Africa, the Middle East and Latin America. CSW has over three decades of experience in advocating for FoRB. Through in depth research, CSW gathers evidence of violations of FoRB, raises awareness, and calls on nations to uphold this right in accordance with international and national or constitutional obligations.

**Impulso 18** is a Mexican NGO that defends and promotes freedom of religion and belief for everyone in Mexico as it is announced in the Universal Declaration of Human Rights, in the InterAmerican Convention of Human Rights and in the Mexican Constitution
