Submitted: September 21, 2019

The United Nations Association of the USA (UNA-USA), a program of the UN Foundation, is a membership organization dedicated to informing, inspiring and mobilizing the American people to support the ideals and vital work of the United Nations. For more than 70 years, UNA-USA has worked to accomplish its mission through its national network of chapters, youth engagement, advocacy efforts, education programs and public events. Independent from the U.S. government, UNA-USA and its sister organization, the Better World Campaign, represent the single largest network of advocates and supporters of the United Nations in the world.
