### **Mongolian Human Rights NGO Forum**

The Mongolian Human Rights NGO Forum (hereafter HRF) was established in January 2010 in the wake of a training organized for NGOs as a preparation for Mongolia's participation in the first UPR cycle. Since then, HRF has united in its ranks over 50 NGOs which have consistently worked to improve the human rights situation in Mongolia, promote and protect human rights. For the purpose of energizing the implementation of UPR recommendations, HRF has also organized regular consultative meetings among governmental and non-governmental organizations and engaged in policy advocacy work.
