- The :At-sik-hata Nation of :Yamassee-Moors is an Internationally recognized Indigenous Nation that is a Stakeholder

([http://www.ushrnetwork.org/sites/ushrnetwork.org/files/upr\\_ohchr\\_stakeholder\\_summary2010.pdf](http://www.ushrnetwork.org/sites/ushrnetwork.org/files/upr_ohchr_stakeholder_summary2010.pdf)) - that has filed and published a UPR Report –

Our Nations's 2010 UPR on the United States of America was recognized and mentioned by 2 Academic Scholars: Molefe Asante & Clyde Ledbetter Jr. in their book: Contemporary Critical Thought in Africology and Africana Studies.

### **Submission on The UNITED STATES OF AMERICA**

#### **Since UN UPR on November 5 2010**

4. The United States of America under then U.S. President Barack Hussein Obama, did finally endorse the UNDRIP (albeit reluctantly); however, when cited and used in the courts as counseled by the International Indian Treaty Council (IITC - <https://www.iitc.org/>) the U.S. Courts and associated Courts still breach the UNDRIP and the International laws that are associated and related to the UNDRIP.

5. The United States of America to teach the unbiased education and truthful knowledge of the origins of the Native Americans / Indians in the Americas. The United States of America has extreme difficulty in accepting the fact that the original peoples of the Americas (The Olmecs) were dark-skinned with curly to wavy hair, despite the fact Scholars of the Americas were fully aware of this fact:

To evince this result in a single but striking point, doubted to this day by superficial inquirers, it is sufficient to mention that **there were in America**, before Columbus came, **nations and tribes of the following complexions: coppered, tawny, olive, dusky, white or pale yellow, dark brown, and black;** (but none red unless painted,) and that all **these complexions are also found in Asia, in Polynesia, and in Africa.** The native American Negroes or black Indians, have been seen in **Brazil, Guyana, Caraccas, Popayan, Choco, North California, &c.** Some of them, **such as the Aroras or Caroras of Cumana, were black, but with fine features and long hair, like the Jolofs and Gallas of Africa.** Others in New California, latitude 32, called *Esteros*, are like the *Hottentots*, *Numuquas*, *Tambukis*, and many other Nigritian tribes, not black, but dark brown, yet complete Negroes, with large thick lips, broad flat noses, and very ugly, with hair crisped or curly. **The Negro features belong to the form of the head rather than the colour, since [there] are in Africa, Asia, and Polynesia, black, brown, yellow, olive, coppery, (and even white) Negroes.** (20 years travels in South America, London, 1825,) and Mollien, travels in Columbia, Paris, 1824. - <http://www.sidneyrigdon.com/dbroadhu/PA/Phil1800.htm> .

6. The United States of America needs to adopt, assimilate, incorporate and implement the UNDRIP Declaration domestically and to legislate domestically that the judiciary and all branches of government are legally made aware of the legal responsibility of obedience not only to the United Nations Declaration on the Rights of Indigenous Peoples, but also the United Nations Charter and International Laws, Treaties and conventions that it has signed and agreed to within and without their domestic courts.

7. The United States of America to Immediately incorporate domestically its legal obligations to honor and protect tribal Sovereignty as defined by Presidential Proclamation 7500 and Presidential Executive Order which is in accord with Articles 2,3,4 of the United Nations Declaration on the Rights of Indigenous Peoples.

8. The United States of America has a factual, scientific and genetic obligation to teach the unbiased knowledge and truthful knowledge of the origins of the Native Americans / Indians in the Americas who are and were what would be today known as: "African-American," "Black," "Colored," "Negro," etc.

9. The Problem that Indigenous People, People of African Descent (MISNOMER: African-Americans, Black, Negro, Colored), have is that BLACK HAS NO STANDING AT LAW. (So Tom Joyner interviews President Barack Obama on his 'Tom Joyner Morning Show' and greets him by saying "It's our first 'BLACK' president of the United States"...President Obama replies 'Tom I don't look at myself as the first 'BLACK' president because the word 'BLACK' has no standing at law.

10. The United States OMB FORM SF-181 Form ([https://www.opm.gov/forms/pdf\\_fill/sf181.pdf](https://www.opm.gov/forms/pdf_fill/sf181.pdf)) specifically states that Black/African-American "is a person belonging to any of the "Black Racial Groups of Africa". There are NO "Black Racial Groups" of Africa and can be proven by anyone who is from Africa as they refer to themselves from a: Tribe, Clan or a Village; Furthermore, People from Africa will tell you they do NOT call/refer to themselves as "Black" in their language. The United States OMB FORM SF-181 Form([https://www.opm.gov/forms/pdf\\_fill/sf181.pdf](https://www.opm.gov/forms/pdf_fill/sf181.pdf)) states that "White" is" any person belonging to the Original Peoples of: Europe, the Middle East and North Africa." This would mean that Black/African-American should be calling themselves White and NOT "Black."

11. The original Indigenous People of the Americas were dark-skinned as admitted to by the State of Alabama Archives Admits Black Indians Were Reclassified as Negro, Colored, Mulatto"

<https://www.youtube.com/watch?v=NhrnkzrwkFQ> - American Indians were classified as African American and Mulatto- he said that from his own mouth!!!

13. AACRAO a non-profit, voluntary, professional association of more than 11,000 higher education professionals who represent approximately 2,600 institutions in more than 40 countries.

(<http://www.aacrao.org/resources/compliance/ipeds-reporting/definitions-for-new-race-and-ethnicitycategories>)

endorses the U.S. SF-181; and the SF-181 Form is Also Promoted by the U.S. Department of Education on the IPEDS – Race and Ethnicity (<https://nces.ed.gov/ipeds/reic/definitions.asp> ; Pie Charts:

<https://www.facebook.com/photo.php?fbid=10203854289157741&set=a.10203854288917735.1073741943.1835861400&type=3&theater> ). Black/African-American is not a race and is not human.

14. The Deliberate actions of The United States of America by doing this racial misidentification is contrary to the United Nations Conventions on the Rights of the Child, United Nations Charter, United Nations Declaration on Human Rights, United Nations Declaration on the Rights of Indigenous Peoples and the United Nations International Decade for People of African Descent.

**NOTE:** Africa (n.) Latin Africa (terra) "African land, Libya, the Carthaginian territory," fem. of adjective Africus, from Afer "an African," **a word of uncertain origin**. The Latin word originally was used only in reference to the region around modern Tunisia; it gradually was extended to the whole continent. Derivation from Arabic afar "dust, earth" is tempting, but the early date seems to argue against it. The Middle English word was Affrike. --- <https://www.etymonline.com/word/Africa> .

American: AMERICAN, n. A native of America; **originally applied to the aboriginals, or copper-colored races**, found here by the Europeans; but now applied to the descendants of Europeans born in America. The name American must always exalt the pride of patriotism. <https://1828.mshaffer.com/d/search/word,America> .

15. The fact that Black/ African-American has no standing at law and therefore is not recognized in Law, reveals the truth that Black/ African-Americans are not entitled to Human Rights, Indigenous Rights or any other kind of rights. See Dred Scott Decision (Scott v. Sanford 1857 – NOTE: this case has never been overturned by the U.S. Supreme Court. <https://supreme.justia.com/cases/federal/us/60/393/> ; The infamous, oft-quoted conclusion of the Supreme Court’s decision, written by Chief Justice Roger B. Taney, was that current or former slaves and their descendants **had “no rights which the white man was bound to respect.”**). Those in the legal community will point to 14th Amendment being the “solution” to this problem; however, the evidence which supports the fact Black/ African-American has no standing at law are the following:

16. Congress is not bound by the constitution: congressional record page A3220 May 11, 1955 (Page 242, 243 Behold a Pale Horse by William “Bill” Cooper (Congress is no longer bound by its constitutional system of delegated powers. Its only test is under the obligatory power to promote human rights in these fields of endeavor: Civil, political, economic, social and cultural. These are found in Articles 55 and 56 of the Charter of the United Nations, a ratified and approved treaty. They are being promoted in all parts of the world by the United Nations.- Statement by Carl B. Rix President of the American Bar Association. [http://www.stopthecrime.net/docs/William\\_Cooper-Behold\\_a\\_Pale\\_Horse1991.pdf](http://www.stopthecrime.net/docs/William_Cooper-Behold_a_Pale_Horse1991.pdf) )

17. The Constitution is a Dead Document. Supreme Court Justice Antonin Scalia took the stage at Southern Methodist University Monday night and argued the Constitution is “not a living document” and is “dead, dead, dead.” Justice Scalia discussed how children would visit the Supreme Court and refer to the Constitution as a “living document” but that the Constitution is, in fact, “dead.” A staunch conservative and “textualist,” Scalia believes the law must be taken literally and that the original meaning of the Constitution is the best way to interpret it. --- <http://www.msnbc.com/the-last-word/justice-scalia-constitution-dead> .)

18. On January 31, 2011 Judge Donald R. Venezia announces in open court that he suspends the U.S. constitution whenever he pleases. Did he not take a judicial oath swearing to uphold the constitution...or did he bypass his oath of office? Has New Jersey Seceded from the United States??? Suspending the Constitution is a declaration of Martial War. Are we now in a police state where judges can suspend the constitution at will? --- <https://www.youtube.com/watch?v=D2Z16vQIBwg> .

19. The United States OMB FORM SF-181 Form([https://www.opm.gov/forms/pdf\\_fill/sf181.pdf](https://www.opm.gov/forms/pdf_fill/sf181.pdf) ) specifically states that Black/African-American “is a person belonging to any of the “Black Racial Groups of Africa”.

20. There are NO “Black Racial Groups” of Africa ,and can be proven by anyone who is from Africa as they refer to themselves from a: Tribe, Clan or a Village; Furthermore, People from Africa will tell you they do NOT call/refer to themselves as “Black” in their language. The United States OMB FORM SF-181 Form ([https://www.opm.gov/forms/pdf\\_fill/sf181.pdf](https://www.opm.gov/forms/pdf_fill/sf181.pdf) ) states that “White” is “**any person belonging to the Original Peoples of: Europe, the Middle East and North Africa.**” This would mean that Blacks/African-Americans should be calling themselves White and NOT “Black.” This explains the Injustice, discrimination, atrocities, violations, genocide apartheid and rape committed against Peoples of African Descent (MISNOMER: Black/African-American).

21. Failure by the United States of America: to acknowledge, reveal, correct, fix, compensate and restitute this International Human Rights, Indigenous Rights and Universal Rights violations of the fact: Indigenous Peoples, “African-Americans” are commercially in fact White means that the United States of America is fully cognizant that it is complicit in: Genocide, Apartheid, Rape, Forced Assimilation, Forced Displaced, Crimes against Indigenous Peoples, Crimes against Humanity, Fratricide, infanticide, Murder, Conspiracy, Collusion and War Crimes against Peoples of African Descent All over the world and have no intention on fixing and healing the damaged caused, now or in the Future. Any proposed Declaration for peoples of African Descent to

be drafted by The United Nations, the OHCHR and UN WGEPAD must fully reveal the exact definitions of race to Peoples of African Descent

### **Current Recommendations**

**22.** The United States of America should create a Domestic Full Disclosure Legislation (which would also be in accord with the United Nations International Decade for Peoples of African Descents Programme of Activities: [https://www.un.org/en/events/africandescentdecade/pdf/A.RES.69.16\\_IDPAD.pdf](https://www.un.org/en/events/africandescentdecade/pdf/A.RES.69.16_IDPAD.pdf)) for Indigenous People or refer People of African Descent (primarily African-Americans/American Blacks) to the SF-181 Form that will assist them in changing their racial status from “Black” To White. The United States of America should include this as part of the recommendations to implement Human Rights in accord with the UPR also following the programme of activities which they are mandated to honor in accord with the UN International Decade for People of African Descent. United States of America should openly promote the solution to people of African Descent now to change the racial status word “Black,” “Black/African-American,” “African” (People of African Descent) from “Black” to White and Native American / American Indian or those not born in the west to White.

**23.** The United States of America to Honor Now the fact they must now Promote Human Rights for Peoples of African Descent as confirmed by Lisa Madigan 2:00:10 - 2:00:40 seconds Illinois Attorney General Lisa Madigan. Human Rights apply to ALL levels of Government; see: 1:58:00min.---- click on # 78 <http://webtv.un.org/watch/usa-review-22nd-session-of-universal-periodic-review/4229106421001>).

**NOTE:** Since the US removed itself from the Human Rights Council, there is no domestic or national update on human rights implementation by the United States; nor is there any remedy nor alternative that the United States of America has provided in the event of human rights violations that can be dealt with nationally or outside of the United States of America. - <https://www.npr.org/2018/06/19/621435225/u-s-announces-its-withdrawal-from-u-n-s-human-rights-council> .

*"I want to make it crystal clear that this step is not a retreat from human rights commitments," Haley told the media. "On the contrary, we take this step because our commitment does not allow us to remain a part of a hypocritical and self-serving organization that makes a mockery of human rights."- Former U.S. Ambassador to the United Nations Nikki Haley.*

**24.** United States of America to Honor the Right of Peoples of African Descent to Claim “their names and their heritage”. --- HJR-194: (<https://www.govtrack.us/congress/bills/110/hres194/text>) which allows Peoples of African Descent to claim their Autochthonous (Indigenous) Heritage and to eliminate injustices against Peoples of African Descent who claim their Autochthonous (Indigenous) Heritage as they have the right to self identify as White and American Indian (see Sf-181, IPDES and U.S. Census - links as required and in accord with: S.Con. Res 26: <https://www.congress.gov/111/bills/sconres26/BILLS-111sconres26es.pdf> . [http://lib.ohchr.org/HRBodies/UPR/Documents/session9/US/YAMASSEEE\\_NationofYamasseeMoors.pdf](http://lib.ohchr.org/HRBodies/UPR/Documents/session9/US/YAMASSEEE_NationofYamasseeMoors.pdf) ).

**25.** The United States of America to accept as self-evident, as per their own Race & Ethnicity Definitions, that there are NO “Black Racial Groups” of Africa and promote OMB FORM SF-181 Form ([https://www.opm.gov/forms/pdf\\_fill/sf181.pdf](https://www.opm.gov/forms/pdf_fill/sf181.pdf) ) as the solution for those who call themselves “Black,” “African-American,” “African-Canadian,” “West-Indian,” “Latino,” “Afro-Latin,” “Negro,” “Colored,” etc. they must call themselves White (if they are from Africa Only) and White and Native American (if they are from the West). See: IPEDS Race and Ethnicity: “The categories do not denote scientific definitions of anthropological origins.” (<https://nces.ed.gov/ipeds/Section/definitions> )

**26.** The United States of America should create a Domestic Program/ Domestic learning Process now to give Full Disclosure to those who call themselves “Black,” “African-American,” “African-Canadian”,

“West-Indian,” “Latino,” “Afro-Latin,” “Negro,” “Colored,” etc. how “BLACK” and the word “BLACK” has NO STANDING at Law.

**27.** The United States of America to Honor Now the fact they must now Promote Human Rights for Peoples Indigenous Peoples as confirmed by Former Attorney General of Illinois Lisa Madigan 2:00:10 - 2:00:40 seconds Illinois Attorney General Lisa Madigan. Human Rights applies to ALL levels of Government; see: 1:58:00min.---- click on # 78 <http://webtv.un.org/watch/usa-review-22nd-session-of-universal-periodic-review/4229106421001> ).
