About Environmental Defenders Office

Environmental Defenders Office (EDO) was established in 1985 and is the largest environmental legal centre in the Australia-Pacific, dedicated to protecting our climate, communities and shared environment by providing access to justice, running groundbreaking litigation and leading law reform advocacy. We are an accredited community legal service and a non-government, not-for-profit organisation that uses the law to protect and defend Australia's wildlife, people and places.

About Earthjustice

Founded in 1971, Earthjustice fights for the right of all to a healthy environment. As the largest nonprofit environmental law organization in the United States, Earthjustice uses the power of the law and the strength of partnership to protect people's health, preserve magnificent places and wildlife, advance clean energy, and combat climate change. We partner with thousands of groups and individuals to take on the critical environmental issues of our time and bring about positive change.
